

Il top con fianco Side, il top con alzatina, il vassoio ad incasso Tray-C e il top vassoio (progettati dal designer francese Philippe Nigro) sono degli accessori che donano continuità visiva e un tocco elegante agli ambienti in cui vengono inseriti. Applicabili alle basi modulari e contenitori, sono disponibili in diverse finiture a catalogo.

The top with Side side panel, the top with upstand, the Tray-C recessed tray, and the tray top (all designed by French designer Philippe Nigro) are accessories that provide visual continuity and add an elegant touch to the rooms they are part of. Designed to sit on modular base units and storage units, they are available in various finishes from the catalogue.

La ricarica wireless consente di ricaricare il proprio telefono solo appoggiandolo sul piano, senza bisogno di cavi. La ricarica avviene quando il telefono è esattamente sopra il trasmettitore, per la localizzazione del punto esatto viene fornita una etichetta da applicare sul piano.

Wireless charging lets you charge your phone by simply placing it on the top, with no need for cables. Charging takes place when the phone is positioned directly on top of the transmitter: the kit comes with a sticker you can attach to the top to mark the exact point.
